

AMAN-International Foundation moves to larger premises

Abidjan (01.08.2008) - The Board of Directors of the AMAN-International Foundation (FAI) has announced that FAI has moved to new premises at Les Deux Plateaux (Vallon) in Abidjan.

The move of FAI's headquarters within Abidjan to its new premises is now effective. Previously located on the 2nd floor of the 'Pako Gourmand' building, the AMAN-International Foundation has been looking for a new location since the beginning of 2008 to accommodate the new size of its activities.

It was clear to the FAI team, but also in order not to "confuse" its visitors too much, that the new FAI headquarters in Abidjan should remain in the same neighborhood where this institution started its activities since its creation in 2003.

The new office perfectly meets FAI's expectations as it is much more spacious to embrace the scope of activities addressed by FAI. This new office allows FAI to remain in the vicinity of the old headquarters to facilitate the orientation of its visitors.

From now on, the premises of the AMAN-International Foundation **in Abidjan** are located at the following address

Deux Plateaux (Vallon), Rue des Jardins, Quartier résidentiel Pako, Villa duplex N° 7.
