

The President of the AMAN-International Foundation received in audience by the German Ambassador to the Republic of Côte d'Ivoire

Abidjan (09.12.2011) - In order to strengthen relations with institutional partners, the Founding President of the AMAN-International Foundation (FAI) was received in audience by the Ambassador of the Federal Republic of Germany in his office in Abidjan.

Within the framework of the reconstruction of Côte d'Ivoire, the Founding President Marie Ginette AMANI-FRIDRICH paid a working visit to the Embassy of the Federal Republic of Germany.

The meeting with the new German Ambassador in Côte d'Ivoire, Karl PRINZ, was focused on an official presentation of the AMAN-International Foundation to the newly appointed German diplomat, but also to strengthen the relations with the German Embassy and to consider a sustainable cooperation in areas of common interest.

The German Head of Mission welcomed with great interest this initiative taken by the Founding President of the FAI for the opening of a new area of cooperation in the new context of post-crisis reconstruction of Côte d'Ivoire.
